**DynTek Receives Government, Health and Education  
Partner of the Year Award from McAfee**

*Company Recognized for Revenue Growth, Outstanding Technical Knowledge and Customer Service*

**Newport Beach, CA – February 10, 2010 – DynTek, Inc. (DYNE.PK )**, a leading provider of professional technology services, today announced it has been recognized by McAfee, Inc. as the Government, Health and Education (GHE) Partner of the Year for the East Region of the United States.

“DynTek has demonstrated exceptional industry knowledge of the GHE sector,” said Fernando Quintero, Vice President of Channel Sales for the Americas at McAfee. “They continue to deliver tremendous growth in McAfee product and related service revenue, backed by strong sales and marketing programs. Most importantly, their exceptional technical acumen and proven customer service commitment make them a trusted partner and representative.”

“The award for Government, Health and Education Partner of the Year also recognizes DynTek’s outstanding value add throughout the entire sales cycle from the technical win, to the business win, to the contracts and fulfillment phase,” said Brian Gumbel, Regional Director, GHE East.

“Global threats are mounting and security concerns are becoming more sweeping and pervasive,” said Ron Ben-Yishay, DynTek’s chief executive officer. “Our customer base has really responded to McAfee’s interlocked security solutions and centralized security management structure. We are committed to continuing to make the sales and technical investments required to support this growing demand and look forward to partnering with McAfee for another successful year.”

**About DynTek**

DynTek is a leading provider of professional technology services to mid-market companies, such as state and local governments, educational institutions and commercial entities in the largest IT markets nationwide. DynTek provides a broad range of IT security, unified communication, virtualization, Microsoft Information Worker, and application infrastructure and delivery solutions. DynTek's multidisciplinary approach allows our clients to turn to a single source for their most critical technology requirements. For more information, visit <http://www.dyntek.com>.
