DynTek Announces Unified Communications Integration Service for Microsoft Office Communicator 2007

Irvine, CA – October 18, 2007– DynTek, Inc. (OTCBB: DYNK), a leading provider of professional technology solutions and a Microsoft Gold Certified Partner, today announced that it now offers a Unified Communications Integration Service, which is centered around Microsoft Office Communicator 2007 to streamline IT and business processes, lower operational costs, enhance customer support and foster a more productive environment.

“Microsoft clearly has experience in the desktop interface market and we believe that voice and video communications are a logical extension of the desktop,” said Steve Struthers, Chief Technology Officer, DynTek. “Therefore, we are excited about working with Microsoft Office Communicator 2007 and the benefits it will bring to our customer base.”

“DynTek’s services help customers implement Microsoft’s Office Communicator 2007, giving them significant communications benefits,” said Tim Stumbles, Voice Partner Account Manager. “Microsoft is excited to work with DynTek to improve our customers’ experience and help foster better collaboration and productivity.”

About DynTek

DynTek is a leading provider of professional technology services to mid-market companies, such as state and local governments, educational institutions and commercial entities in the largest IT markets nationwide. The company provides a broad range of IT security, unified communication, virtualization, Microsoft Information Worker, and application infrastructure and delivery solutions. DynTek’s multidisciplinary approach allows our clients to turn to a single source for their most critical technology requirements. For more information, visit www.dyntek.com.

This press release contains certain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, which are intended to be covered by the safe harbors created thereby. Investors are cautioned that certain statements in this release are “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995 and involve known and unknown risks, uncertainties and other factors. Such uncertainties and risks include, among others, success in reaching target markets for services and products in a highly competitive market and the ability to maintain existing and attract future customers; our ability to finance and sustain operations, including our ability to comply with the terms of working capital facilities and/or other term indebtedness of the Company, and to extend such obligations

when they become due, or to replace them with alternative financing; our ability to raise equity capital in the future; our ability to achieve profitability despite historical losses from operations; our ability to maintain business relationships with IT product vendors and our ability to procure products as necessary; the size and timing of additional significant orders and their fulfillment; the continuing desire of and available budgets for state and local governments to outsource to private contractors; our ability to successfully identify and integrate acquisitions; the retention of skilled professional staff and certain key executives; the performance of the Company's government and commercial technology services; the continuation of general economic and business conditions that are conducive to outsourcing of IT services; our ability to maintain trading on the NASD OTC Bulletin Board or other markets in the future; and such other risks and uncertainties included in our Annual Report on Form 10-K filed on October 12, 2007, our Quarterly Reports on Form 10-Q filed on November 20, 2006, February 20, 2007 and May 21, 2007 and other SEC filings. The Company has no obligation to publicly revise any forward-looking statements to reflect anticipated or unanticipated events or circumstances occurring after the date of such statements.
